Why take a practice exam?

Taking full-length practice tests under timed conditions is essential to being ready for the official test. A proctored practice exam will help your child build testing endurance and give you a real-time snapshot of their testing performance. Your child will receive a detailed SAT or ACT Score Report.

What's included with registration?

Upon registration your Revolution Prep liaison will schedule a score report review at a time convenient for you. During the session, we will breakdown your child's score to understand areas of strength and improvement. Your child will receive a detailed SAT or ACT Score Report.
