Location: Brookline High School Expansion Project, 111 Cypress St & 115 Greenough St

Date(s): Saturday, October 12 and Sunday, October 13

Time: 7 AM thru 9 PM

Requesting extension of time? Yes No

If yes, until what time?: _____

Will you be working overnight? Yes No

If yes why?: No overnight work is being requested.

Attach detailed description of work being done.

At 111 Cypress Street: Tree removal at the north side of the MBTA tracks, at the corner of Tappan and Cypress Street as well as tree removal in the Town Parking Lot adjacent to the United Arts Building. This work is required to be completed at a time when the MBTA D line power lines are de-energized. Additionally, we have been requested by the Town of Brookline to complete this work during previously scheduled MBTA diversion. We are requesting the extended work hours removing trees to ensure the work gets completed during the scheduled weekend diversion.

At 115 Greenough Street: The demolition subcontractor will use an excavator to take down the existing Robert's Wing. We are requesting the extended work hours for building demolition to ensure the building gets taken down before the students return to the adjacent spaces.
