

Brookline High School

Guidance Department

PreACT REGISTRATION - November 12 – 26, 2018

SOPHOMORES/ JUNIORS: Please read these notes carefully and share them with your parents.

The PreACT will be administered at **Brookline High on the morning of Saturday, December 15th from 7:45- 11:30 am.**

The PreACT is a shorter practice version of the ACT college admissions test, normed for sophomores in high school. The PreACT also offers a built-in career interest inventory. Each student taking the test will have the opportunity to:

- ❖ Identify current academic readiness for college and career using the PreACT report
- ❖ Predict how you'll perform on the ACT after an additional junior year of learning (predictive quality of test is different for juniors since they already are having that "additional year" of curriculum as defined by the ACT)
- ❖ Determine skills you can improve based on your performance (using your results to guide use of the free online ACT Academy prep program)
- ❖ Explore how your career aspirations align with your interests

Please complete the registration form below and bring it to the Main Guidance Office, Room 161 with a **\$20 check or money order payable to: Brookline High School Guidance. We do not accept cash. If you feel you may qualify for a fee waiver, please let the Main Guidance office staff know or see your guidance counselor.**

PreACT score reports will be available in school at a PreACT score report overview X block, Thurs January 10th.

PreACT - Saturday, December 15, 2018. Please report by 7:45 a.m. Bring 3 #2pencils and a calculator for math – act.org/theact/calculator (although calculator not required). No phones/devices allowed.
